ham's Vegetable Compound had done for other women and decided to try it. It surely did wonders for me. I have no pains now and I can do my house-work without any trouble at all. I will always praise your medicine as I do not believe there is a doctor that can do as much good in female weakness, and you may use these facts as a testimonial."-Mrs. LESTER E. WARNER, 1018 Pine St., La Crosse, Wis.

The reason women write such letters to the Lydia E. Pinkham Medicine Co. and tell their friends how they are helped is that Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives. Freed from their illness they want to pass the good news along to other suffering women that they also may be relieved.

Catarrh Can Be Cured

Catarrh is a local disease greatly influenced by constitutional conditions. It therefore requires constitutional treatment. HALL'S CATARRH MEDICINE is taken internally and acts through the Blood on the Mucous Surfaces of the System. HALL'S CATARRH MEDICINE destroys the foundation of the disease, gives the patient strength by improving the general health and assists nature in doing its work.
